## TOURS DESCRIPTION

### Small Circuit Without Ascension

The tour starts in Bariloche, riding down Ezequiel Bustillo Ave., a winding paved road along the Nahuel Huapi lakeshore. At kilometer 8, we will pass by Playa Bonita, from where we will see Huemul Island. Continuing along this road for another 10 km, and after passing through some beautiful scenery, we will arrive at Campanario Hill. A chair lift will take us to the top of the hill (1050 m) from where we will enjoy one of the most impressive views of this region. We will see then Nahuel Huapi and Moreno lakes, El Trébol lagoon, San Pedro and Llao Llao peninsulas, Victoria Island, Otto, López, Goye and Catedral hills, and the main town, San Carlos de Bariloche. Further ahead, and after leaving San Pedro peninsula behind, we will reach Llao Llao peninsula, with its namesake hilltop hotel and San Eduardo Chapel, two architectural jewels of this region, and go by Pañuelo Port, the starting point of many lake excursions. Further on we pass by a golf course, cross the bridge over the Angostura river that joins Nahuel Huapi Lake with Moreno Lake, and pass by López Bay at the base of López Hill. Further on, we will get to

the Panoramic Point, a belvedere with a magnificent view of Moreno Lake and Llao Llao peninsula. Then you will cross the bridge over Moreno Lake at a narrow end, follow the shoreline of El Trébol lagoon, and 2 km ahead we will meet Ezequiel Bustillo Ave. again and return to Bariloche.
